Item 7 - Other reasons for holding abandonment: "Upon review of the decision of the BPAI dated July 28, 2006, it was noted that the maintenance fees due at 7.5 and 11.5 years have not been paid. The patent therefore expired on the 8th anniversay of it issuance, 8 August 1997. As the period has past for late payment of the delinquint maintenance fees and as the Office cannot reissue an expired patent, this reissue application is held as abandoned."

Additionally, the filing of a reissue application does not alter the schedule of payments of maintenance fees on the original patent. If maintenance fees have not been paid on the original patent as required by 35 U.S.C. 41(b) and 37 CFR 1.20, and the patent has expired, no reissue patent can be granted. 35 U.S.C. 251, first paragraph, only authorizes the granting of a reissue patent for the unexpired term of the original patent. Once a patent has expired, the Director of the USPTO no longer has the authority under 35 U.S.C. 251 to reissue the patent. See In re Morgan, 990 F.2d 1230, 26 USPQ2d 1392 (Fed. Cir. 1993).
